**Pastor Scott Jones**

**October 4-5, 2008**

“Failure is a part of who we are. Only when we embrace it can we truly release it to the God who plans to erase it forever.”

**THE TRAP** (vs. 1-4)

**THE DILEMMA** (vs. 5-6)

**THE WRITING** (vs. 7)

- ✦ We can give FUEL to others in their failure when we guard against self-righteous stone throwing. (vs. 7-8)

***It's easier to see the sin of others than to see it in ourselves.***

- ✦ Jesus doesn't condemn you for your sin. (vs. 11)
- ✦ Jesus calls us to a transformed life. (vs. 11)

***God's vision for you is so impassioned with hope that He calls you and me to something better.....to release the guilt of your sin and failure and find the peace and joy of a life totally free in Him.***
